# Utah's award winning cheeses

— Beehive Cheese Co. —

In 2005, brothers-in-law Tim Welsh and Pat Ford left the fast-paced world of software and real estate seeking a simple way of life as cheese makers. They traded their grinding commute and laptops for quiet pre-dawn mornings sitting with 500 gallons of farm-fresh milk carefully mixing and warming it for hours to develop their unique cheese.

The Beehive Cheese family is delighted to share our passion with you.

  
Pat & Tim
